ON THE ROAD AGAIN – DRAFT TEST REPORT Judges: Tubby Miller & Patti Pigeon

On Monday, 12 dog/handler teams embarked on a cross –country road trip with their carts in search of an elusive draft dog or team draft dog title. The sun shone brightly, the judges were friendly, the stewards were helpful, and the river didn't flood this year. Despite a pleasant trip, each dog/handler team encountered a bump or two in the road that derailed their chances for a new title. We wish tomorrow's entrants, not only a pleasant journey, but also a successful finish.

MEMORY GARDEN

On your way to the show ring, you will pass the "Memory Garden", filled with tributes to Newfs of the past. Consider "planting a flower" in memory of your special Newf(s). The memorials can be purchased in Hospitality for \$5.00.

Don't Forget

Pitch-In Help keep our grounds clean. For your convenience bags have been placed at each of the designated walking stations. Please be sure to pick-up and pitch-in.
