This year's National Specialty Week is the culmination of a year of hard work by a whole team of volunteers. Our breed is lucky to have so many enthusiasts willing to step up and share their time and talent to celebrate these beautiful dogs.

To everyone who raised their hand, whether your contribution was big or small, please know that your efforts are appreciated and we could not have a successful event without your participation.

To everyone who drove hundreds of miles to get here, spent months training and conditioning for draft, obedience, rally and more, got up at the crack of dawn to bathe dogs, get then trimmed and looking their best, we are grateful that you made the effort to share your Newfoundlands with all of us.

To those who came to feast their eyes on the most beautiful Newfoundlands in the world, thank you for cheering, for buying raffle tickets and bidding on auction items, for celebrating the Top 20 and taking part in the many activities that make up our Specialty Week.

Looking forward to seeing you all this time next year in Duluth!
